

## MAINTENANCE

## Maintenance Worker (m/f/d)

Full-Time, Förirtztal, Germany

As a locksmith, industrial mechanic, or versatile craftsman, you can really take off with us. Keep our technical systems running and become a valuable part of our team. Apply today!

### Tasks & Responsibilities of our Maintenance Specialists

---

- Maintenance and repair of mechanical, pneumatic, and hydraulic system installations
- Implementation and monitoring of maintenance schedules
- Ensuring smooth production processes across various manufacturing areas
- Troubleshooting and resolving issues with machines and installations
- Participation in projects related to facility management and operational technology

### Expertise & Qualities

---

- Completed technical training (e.g., locksmith, industrial mechanic, or similar)
- Also open to career changers with relevant maintenance experience
- Independent working style
- Strong technical understanding

### Obeck as an Employer

---

You can expect an established family business specialising in the production of high-quality PET packaging and matching closures. Recognised as one of the 300 most crisis-resistant companies in Germany, we not only offer a secure job but also the opportunity to be part of a modern and continuously expanding company.

### Your benefits at Obeck

---

- Permanent employment contract
- Flexible working hours
- Performance-related special payments
- 30 days of vacation plus company holidays on December 24 and 31
- Workplace with optimised technical equipment
- And much more! Explore further details on our website

### Complete our maintenance team – apply now and showcase your skills!
